Who was Oliver McGowan?

- ❖ Oliver was a young man with a bright future
- ❖ Oliver was given medicine that made him ill
- ❖ Oliver died far too young

Why did you want to get involved?

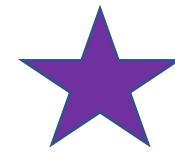

- ❖ I am passionate about making services better for people
- ❖ Hearing about Oliver made me want to get involved

How did the co-production work?

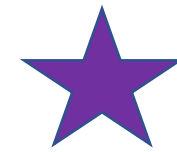

- ❖ There are lots of different groups of people with lived experience
- ❖ We looked at training that has already been made – we said what we liked and what we don't like
- ❖ We talked about it in bigger groups
- ❖ When we asked them to make changes Bild listened to us

What do you think of the training now?

- ❖ It covers everything people need to know to support us better
- ❖ It shows we are equal partners in training

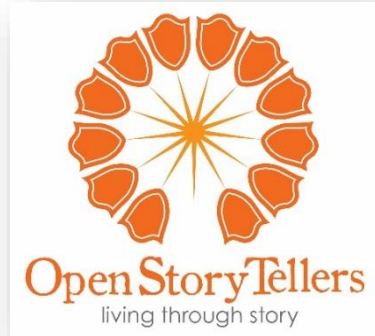

Now let's hear from Amanda
