

Focus on Health Advice e-learning

Level 3

Learning Log

Throughout this e-learning module, you will be prompted to use this Learning Log to reflect on practices in your local area, as well as completing activities. You may wish to use this to note down other thoughts as you go through the e-learning, as it will be a useful resource for conversations with colleagues about strengthening local processes and templates.

Lesson One: Health Needs and Provision

The role of advice in the EHCP (slide 4)

What is going well regarding advice in your local area?

Where are the challenges?

Focus on the process regarding advice (Slide 6)

Is this order followed in your local area? If not, comment on some of the differences.

Focus on the process regarding advice (Slide 7)

What are the strengths and challenges in your area regarding this process?

Identifying the relevant professionals (Slide 10)

How could this element of the advice process be strengthened in your local area?

Coordinating Health Advice – Reflections (Slide 12)

How is Health advice currently coordinated in your local area?

What are the strengths and challenges around this?

<i>Strengths</i>	<i>Challenges</i>

What would help to overcome any barriers?

Reflections on advice templates (Slide 17)

Reflect on the strengths and weaknesses of the advice template used in your own local area.

Does it encourage a focus on holistic outcomes?

How could it be improved?

Quality of advice (Slide 20)

Reflect on the quality assurance process for advice in your local area.

Does it answer these questions and provide opportunities for future improvement?

Notes

Thank you for completing the Health Advice E-learning Level 3
